Dear Gregg and Staff,
Just a note to thank you very much for the fantastic service. I appreciate the time you spent with myself and my husband picking out the right bedroom set. You don't find customer service like the service you provided us with anymore!! Very Rare! That is why your company is so successful. We love our new bedroom set and it looks better than the

pictures in the catalog. I was nervous ordering out of the catalog but I am completely satisfied.

Also your delivery guys Mike and Ralph were very efficient and friendly. Very hard working guys. (They didn't pay me to say this)
Ha! Ha! 😊

Thanks Again to you and your Staff!!

cookies were ^{much} appreciated! Very Good!

Hi Greg!

This note is a little late, but not short on our compliments to you + your men for delivering and setting up our bedroom furniture. It turned out a lot easier than I imagined! Our pet is just beautiful, looks so great in our room and we are enjoying it so much. Everyone who sees it just loves it + asks where we bought it.

It was a pleasure doing business with you, Greg + I am sure your father would be most happy with your effort!

Thanks again.

Greg,

You were right! The new sofa does brighten up our room. My intentions really were to buy a solid color, more modern style, but my preference has always been country decor and since I saw the pretty floral sofa, I could not be swayed away from it. Once again, I want to tell you how nice it is to buy furniture at your establishment. We would not have come back if we were not happy with our previous purchases. You offer beautiful furniture and have much to choose from. Thank you for the chocolates. It was an unexpected surprise.

Sincerely,

Mary & the Robbio
and
Family
